

Inverters

Invertek 2500W Inverter

Invertek 300W Inverter

Invertek

Invertek inverters supply pure sine wave AC output power and are housed in an aluminum chassis for harsh climates. The LED meter displays battery voltage and output watts. The 300 to 1500 watt models are transformer based and the 2500 watt is solid state. These inverters are switch selectable between 50Hz/60Hz and provide overload protection. Built-in RS232 interface for remote control except on the 300 W model. One-year warranty.

Model	Voltage	Continuous Power	Surge Power	Tare Loss*	Dimensions	Weight	MSRP
DAI-0300L-12-1-A	12 VDC	300W	450W	1W	9.5" x 10.6" x 4.7"	11.02 lbs	\$230.00
DAI-0600L-12-1-A	12 VDC	600W	900W	1W	14.6" x 10.6" x 4.7"	19.84 lbs	\$300.00
DAI-1000L-12-1-A	12 VDC	1000W	1400W	1W	16.5" x 10.6" x 4.7"	33.07 lbs	\$450.00
DAI-1500L-12-1-A	12 VDC	1500W	2000W	1W	21" x 10.6" x 4.7"	38.58 lbs	\$600.00
DAI-1500L-24-1-A	24 VDC	1500W	2000W	1W	21" x 10.6" x 4.7"	38.58 lbs	\$600.00
DAI-2500H-12-1-A	12 VDC	2500W	3500W	1W	21" x 10.6" x 7.5"	40.98 lbs	\$1,200.00
DAI-2500H-24-1-A	24 VDC	2500W	3500W	1W	21" x 10.6" x 7.5"	40.98 lbs	\$1,200.00
