

LED Lamp

LED Outdoor Wall or Ceiling Lamp

This unit contains 28 white LED's that are comparable to a 13-watt fluorescent or a 60-watt incandescent lamp. Ideal for bus stops, porches, and outbuildings. Housed in an outdoor, vandal resistant enclosure.

| Model | Voltage | Current | Dimensions | Weight (lbs) | MSRP |
|-------|---------|---------|------------------|--------------|----------|
| WP28 | 12 VDC | 200 ma | 8.5" x 4.5" x 4" | 2 | \$239.00 |

SunWize LED Fixture

SunWize 12 LED Fixture

This waterproof fixture uses 12 high-tech bright white LED's. The fixture features black powder coated aluminum body with pivot adjustment, sealed 3" diameter glass lens and a ground stake. LED circuit is not harmed by reverse polarity. 100,000 hour rated life.

| Model | Voltage | Current | Dimensions | Weight (lbs) | MSRP |
|----------------|---------|---------|---------------|--------------|----------|
| 12 LED Fixture | 12V DC | 0.08A | 3" x 4" x 12' | 1.5 | \$109.00 |

SunWize Spotlight System

SunWize Solar 12-LED Spotlight System

This self-contained lighting system allows dusk to dawn operation of a 12 LED spotlight. Designed for flagpole lighting, small signage, entrance-walkway and path lighting. Fully assembled system includes a 5-watt solar module, 7Ah sealed battery, automatic light controller with adjustable timer, and a 12 LED spotlight with 10 ft cable. The black powder coated aluminum vandal resistant housing can mount to the wall or a pole. Includes two adjustable pole clamps. System requires minimum 4 hours sunlight for dusk/dawn operation. Ten-year solar module warranty, five-year light controller warranty.

| Model | Voltage | Dimensions | Weight (lbs) | MSRP |
|-------------------|---------|-------------------|--------------|----------|
| Spot Light System | 12V DC | 13" x 8.5" x 8.5" | 14.0 lbs | \$499.00 |

Solar Path Light

Solar 4-LED Floodlight

Outdoor Dusk to Dawn Solar/LED floodlight features four powerful bright white LED's mounted in a reflective parabolic housing. Wide coverage-use fixture can be aimed in all directions with mounting options of 12" tall ground stake or place atop a wood post or sign. Includes solar panel, 4-AA / 900mAh Ni-Cad batteries. One-year warranty.

| Model | Dimensions | Weight (lbs) | MSRP |
|-------|-------------------|--------------|----------|
| SL4W | 10.0" x 5.5" x 3" | 2.0 | \$135.00 |
